ABOUT THE COLLEGE

The University College of Science, Saifabad, is a Constituent College of Osmania University, established in 1951. The serene and sprawling campus spreads over a vast stretch of land measuring about 18.173 acres with lush gardens is in complete contrast to the chaos of traffic prevailing outside the college. Saifabad Science College renamed to PG College of Science in 1981 and again as University College of Science, Saifabad OU in the year 2011-12.

Apart from imparting education and acquiring knowledge, the institution focusses on the overall personality development of students by teaching skills required to lead a balanced life. The college with Anti Ragging Committee, Disciplinary Committee, Internal Complaints Committee (ICC), Women Empowerment Cell, Placement Cell and Internal Quality Assurance Cell (IQAC) provides an excellent platform for overall development of students who will go on to become contribution citizen of our nation. I take this opportunity to appreciate and congratulate all our Faculty members and Office supporting staff for their dedicated and sincere efforts in highlighting the institution as one of the best institutions in Osmania University.

This Institution encouraging the students to participate in NCC, NSS, Sports activities, Quiz, Elocution & Essay Writing Competitions in not just our college but also all over the State. The College also encouraging all the I/c. Heads & Coordinators of all the Departments in organizing the Seminars, Conferences, Webinars, Placements and Guest Lectures to widen the scope and knowledge origin of both Faculty members and students.
